Dear Ms Flint *Nicolle*

Thank you for your letter dated 21 November 2018 regarding your recent meeting with your constituent, [REDACTED]

I advise that the Department for Industry and Skills does not issue any tenders for the construction of houses. All tenders issued by the South Australian Government are available on the Tender SA website <https://www.tenders.sa.gov.au/tenders/index.do>.

The Department for Industry and Skills, through the Industry Capability Network South Australia (ICNSA), work with Australian suppliers and project owners to identify opportunities for local suppliers on major projects in South Australia. I encourage [REDACTED] to establish an ICNSA profile (<https://gateway.icn.org.au/>) to ensure that they receive new project alerts that are consistent with the company's capabilities.

I am advised there are currently no grant programs available to support [REDACTED] however guidelines for the new Research Commercialisation and Start-Up Fund will be issued shortly. Once the guidelines are available the Department for Industry and Skills will contact [REDACTED]

Thank you for writing on this matter and I trust this information is of assistance.

Yours sincerely

Hon David Pisoni MP  
Minister for Industry and Skills
